Award for Young Leaders (categories: Student, Resident, Early-Career Physician)

Please describe how the nominee has demonstrated exemplary dedication and leadership in one of the following domains: political, clinical, education, research and or community service. Relative to these domains, nominees must have:

- shown creativity, initiative and commitment to "making a difference"
- been active and effective at the local, provincial/territorial and/or national level
- acted as positive and effective role models for peers and colleagues

Dr. Ashok Muzumdar Memorial Award for Physicians with Disabilities (including medical learners)

Please describe how the nominee demonstrates resilience and leadership in one of the following ways:

- advocating for positive changes at the regional, national and/or international level for patients and/or physicians with disabilities
- encouraging and facilitating the development of more equitable supports (e.g., facilities, assistance or funding) for patients and/or physicians with disabilities
- being a role model and/or mentor for physicians and learners with disabilities
- improving the quality of care and quality of life for people with disabilities
- educating the public regarding the many facets of disabilities

Dr. Brian Brodie Organizational Leadership Development

Please describe how the nominee has demonstrated exemplary dedication, commitment and leadership. Nominees must have:

- shown creativity, initiative and commitment to "making a difference"
- been active and effective at the local, provincial/territorial and/or national level
- acted as a positive and effective role model for their peers and colleagues

Dr. William Marsden Award in Medical Ethics and Professionalism

Please describe how the nominee has demonstrated exemplary leadership, commitment and dedication to advancing and promoting excellence in medical ethics or medical professionalism in Canada. Nominees must demonstrate, in one of the following areas:

- commitment to furthering the cause of medical ethics in Canada
- leadership in enhancing ethical and professional behaviour amongst Canadian physicians
- excellence in research and/or teaching initiatives in medical ethics

F.N.G. Starr Award

Please describe how the nominee has achieved distinction in one of the following ways:

- by making an outstanding contribution to science, the fine arts or literature (non-medical)

OR by achievement in:

- serving humanity under conditions calling for courage or the endurance of hardship in the promotion of health or in saving life
- advancing the humanitarian or cultural life of his or her community
- improving medical service in Canada

Such lifetime achievement should be so outstanding as to serve as an inspiration and a challenge to the medical profession in Canada.

John McCrae Memorial Medal

Please describe how the nominee has demonstrated traits such as compassion, self-sacrifice or innovation beyond the call of duty that have greatly benefited the health or welfare of fellow military personnel or civilian populations.

May Cohen Award for Women Mentors

Please describe how the mentor has demonstrated outstanding mentoring abilities beyond normal professional duties by:

- encouraging, facilitating and supporting mentees in career and leadership development
- acting as an effective role model in medicine or medical leadership
- contributing to the development of women's mentorship advocacy at the regional, national and/or international level

Dr. Léo-Paul Landry Medal of Service

Please describe how the nominee has achieved excellence in at least two of the following areas:

- service to the profession in the field of medical organization
- service to physicians by enhancing the overall health and well-being of physician colleagues on both personal and professional levels
- service to the people of Canada in raising the standards of medical practice in Canada
- personal contributions to the advancement of the art and science of medicine

Owen Adams Award of Honour

Please describe how the nominee has achieved excellence in one of the following areas:

- personal contributions to the advancement of medical research, medical education, health care organization or health education of the public
- service to the people of Canada in raising the standards of health care delivery in Canada
- service to the profession in the field of medical organization
- activities and initiatives that have contributed to improvements in the health and wellness of Canadians
- contributions to the awareness of the value that lived experience (patient/caregiver insight) brings to Healthcare in Canada.

Canadian Medical Association Award for Political Advocacy

Please describe how the nominee has demonstrated exemplary leadership, commitment and dedication to advancing the issues and causes that advance the CMA's vision and mission at the federal level through grassroots advocacy efforts.
