Dr. Anna Reid, MD, CCFP-EM

CMA President, 2012-13
University of Ottawa, 1986
Family medicine, emergency medicine

Dr. Reid, who was born in Kenya, completed her family practice residency (rural stream) in 1988, and for the next 20 years practised comprehensive family medicine in rural British Columbia, work that included palliative and geriatric care and a large HIV practice. In 2008 she was recruited to work at the Stanton Territorial Hospital in Yellowknife, NWT. Interest in system-wide issues such as the impact of homelessness and addiction on patients led to her becoming President of the Northwest Territories Medical Association and to her subsequent election as CMA President.
